

Conference Programme Schedule

(Additions/changes made after 15 August 2008 will be reflected in the on-site programme.)

Date	Time	Plenary Hall	Conference Hall 1	Rooms 302-303	Rooms 304-305	Room 306	Rooms 307-309	Room 406	Room 407	Conference Halls 2-3
Wednesday, 3 December	0900-1000 hours	Opening Ceremony								
	1000-1115 hours		Opening of Exhibition/VIP			Tour/Coffee Break - Exhibition Halls				
	1115-1245 hours	Plenary Session - High Price! High Cost! High Stakes?								
	1245-1400 hours		Luncheon (Buffet) - Ballrooms			1 - 2 • Environment Pavilion Presentations (1300-1345 hours) - Hall 4				
	1400-1530 hours		Panel Session 1 Climate Change & Environment	Session 1 Business of Exploration	Session 2 Well Construction Cost Reduction	Session 3 Surveillance 1	Session 4 Inflow Management and Well Intervention	Session 5 Capabilities & People	Session 6 LNG	Poster Displays (Presentation from 1515-1615 hours)
	1530-1600 hours		Tea Break - Exhibition Halls			• Environment Pavilion Presentation (1540-1555 hours) - Hall 4				
	1600-1730 hours			Session 7 Converting Data into Knowledge	Session 8 Well Construction: Instructive Case Studies	Session 9 Surveillance 2	Session 10 New Technologies for Reservoir Stimulation	Session 11 Social Responsibility	Session 12 Mostly Gas Reservoirs	
	1930-2230 hours	Awards Banquet								
Thursday, 4 December	0900-1030 hours		Panel Session 2 Sustaining Production Rates to Meet Future Demand	Session 13 Clastic - Seismic Imaging	Session 14 Emerging Well Construction Technologies	Session 15 EOR Screening	Session 16 Improved Carbonate Stimulation	Session 17 Health and Working Environment		Poster Displays (Presentation from 1730-1900 hours)
	1030-1100 hours		Coffee Break - Exhibition Halls			• Environment Pavilion Presentation (1040-1055 hours) - Hall 4				
	1100-1230 hours			Session 18 Clastic Stratigraphy	Session 19 Integrated Well Construction Practices	Session 20 EOR Case Studies	Session 21 Production Optimisation Strategies	Session 22 Safety Management and Security	Session 23 Gas Technology	
	1230-1400 hours		Topical Luncheon - Ballrooms 1 - 2							
	1400-1530 hours		Panel Session 3 Complex Relationships	Session 24 Carbonate Exploration	Session 25 Heavy Oil 1	Session 26 Formation Evaluation 1	Session 27 Sand Control		Session 28 Static Characterisation and Modelling	
	1530-1600 hours		Tea Break - Exhibition Halls			• Environment Pavilion Presentation (1540-1555 hours) - Hall 4				
	1600-1730 hours		Session 29 Integrated Project Management	Session 30 Geophysical Methods	Session 31 Heavy Oil 2	Session 32 Formation Evaluation 2	Session 33 Operations Enhancement	Session 34 Technical Safety and Emergency Preparedness	Session 35 Gas Transportation	
	1730-1900 hours		Poster Reception - Conference Halls 2-3							
Friday, 5 December	0900-1030 hours		Panel Session 4 E&P Technologies	Session 36 Integrated Studies	Session 37 Advanced Completion Techniques	Session 38 Geosciences in Development and Production	Session 39 Flow Assurance and Measurement		Session 40 Unconventional Gas	Poster Displays
	1030-1100 hours		Coffee Break - Exhibition Halls			• Environment Pavilion Presentation (1040-1055 hours) - Hall 4				
	1100-1230 hours			Session 41 Palaeo Geography	Session 42 Completions Case Histories	Session 43 Dynamic Characterisation & Modelling 1	Session 44 Facilities	Session 45 Environment and CO ₂ Management	Session 46 Eclectic Injection	
	1230-1430 hours		Luncheon (Buffet) - Ballrooms			1 - 2 • Environment Pavilion Presentations (1300-1345 hours) - Hall 4				
	1430-1630 hours			Session 47 Deep Exploration and Fractured Basement & Unconventional	Session 48 Emerging EOR	Session 49 Dynamic Characterisation & Modelling 2	Session 50 Case Studies	Session 51 Managing Business in Changing Environment	Session 52 i-SMARTer Fields	

- Exploration Session
- Development and Production Session
- Over-Arching Industry Issues Session
- Plenary/Panel Session
- Reservoir Session
- Gas Matters Session
- Integrated Project Management Session
- Others
